## **Young Carers Policy**

At Perryfields High School we believe that all children and young people have the right to an education regardless of their home circumstances. This policy aims to ensure young carers at our school are identified and offered appropriate support to access education to ensure they achieve their potential and do not place their education at risk due to their caring responsibilities.

### **Definition**

Young Carers are children and young people under the age of 18 whose lives are restricted by the need to take responsibility for a person who is either: chronically ill, experiencing mental illness, has an alcohol and substance abuse related illness, has a physical disability, is elderly or infirm or is experiencing HIV/AIDS.

We acknowledge that helping out around the house is a part of growing up, but we are aware that young carers regularly carry out caring tasks and take on responsibility inappropriate to their age.

### **Possible Effects on Education**

Due to caring responsibilities we recognise that a young carer may experience:

- Being late or absent due to responsibilities at home
- Concentration problems, anxiety or worry in school
- Emotional distress
- Tiredness in school
- Lack of time for homework
- Poor attainment
- Physical problems such as back pain from lifting
- False signs of maturity, due to taking on adult roles
- Behavioural problems (taking out their anger or frustration)
- Lack of time for extra curricular activities
- Isolation, embarrassed to take friends home
- Limited social skills
- Bullying
- Feeling that no one understands and that no support is available
- Low self esteem

## **Support Offered**

The designated members of staff for Young Carers at Perryfields High School are Claire Mathews (Assistant Head of Year) and Nicola Beddington (Pastoral Assistant) The designated member of staff will liaise with relevant colleagues, Sandwell Young Carers and other agencies with the consent of the young carer. All pupils will be made aware of the designated person.

Perryfields High School will:

- Give information to the young person about young carers and what advice and support is available.
- Take part in staff awareness/training sessions.

We will provide:
