Computing

1st October 2020

Dear Parents/Carers

I hope this letter finds you and your families well.

September has been a fantastic start to the academic year here at Perryfields. The students remain positive and have adapted very well to the changes to the school day, and systems we have implemented due to COVID-19.

It is also very pleasing to report that we have not had any positive cases in school. However, as you will be aware, as the cases both nationally and regionally continue to increase, it is essential that we remain vigilant and continue to work as hard as we can to ensure the site remains 'COVID free'. With this in mind, please continue to remind your child how important it is that they wear a mask when moving around the school and to wash their hands/use hand sanitiser as frequently as possible.

In the event of a positive case of COVID-19, we would notify you as soon as possible and organise for the 'bubble' the individual has been in contact with to be sent home immediately. If we were in this situation and you would prefer for your child to remain in school until the end of the school day, please do let us know over the next few days by informing your child's form tutor or Head of Year. In this instance, we would isolate the children from the affected bubble in a contained space until the end of the day.

Thank you for your continued support.

Kind regards

Ian Barton
