Computing

14th October 2020

Dear Parents/Carers

I hope this letter finds you and your families well. I am contacting you with some updates and reminders before we reach the end of this half term.

COVID-19 UPDATE

Firstly, I would like to thank you all for your support during this very challenging period. As you are aware, we have had a number of confirmed cases over the last few days. As we continue to follow guidance from the Department of Education and our local Health Protection Team, we can reassure you that all individuals that were identified as a close contact continue to self-isolate.

All affected areas of the school site have either been locked down or received a deep clean. We are confident that we will continue to have the resources to keep the school fully open, but we will obviously notify you as soon as possible if our position was to change.

Please continue to remind your child how important it is that they wear a mask when moving around the school, to wash their hands/use hand sanitiser as frequently as possible and maintain a safe distance from their peers during social times.

ACADEMISATION

Thank you to all parents that have been in contact regarding our future plans. The response has been overwhelmingly positive and the parental consultation evening held on Monday 21st September was a great success. A reminder that the consultation period is scheduled to end on Monday 9th November. If you were unable to attend the consultation evening and have any questions or views, please contact us via one of the below options:

- send any comments by email to admin@perrys.org.uk with the heading "Academy consultation"
- deliver/post any hand-written comments to the school reception marked "Academy consultation"
- arrange a meeting with me or with our Chair of Governors by contacting my PA, Mrs Parker, on 0121 421 7979 or at admin@perrys.org.uk.

Your views on the proposal are very important to us – thank you in advance for your feedback.
