

Perryfields High School and Sixth Form

Specialist Maths and Computing College

Maths &
Computing

19th November 2020

Dear Parent/Carer

Enforced Closure of Perryfields High School

During this period of national concern regarding the Covid-19 virus, the school has been following all advice issued by the Department of Education and Public Health England to fully support efforts to contain, delay and mitigate the impact of the virus within the school and the wider community.

We have been determined to do all that we can to maintain the fullest possible educational provision for our students at all times. However, following advice received from Public Health England today, it is with regret that from today, we have had to close the school to all children. The school will reopen to all students on Monday 7th December 2020.

The school will continue to provide online resources including live lessons and a variety of activities on Class Charts for students to complete. Should you need to contact the school during this period of closure, please do so via email. Even if not self-isolating, students should be at home during school hours and if well, engaged in school work.

Thank you for your understanding and ongoing support whilst we continue to navigate this challenging period.

Yours sincerely

Ian Barton

Headteacher
