

'FOOTBALL DEVELOPMENT PROGRAMME TO PSV EINDHOVEN'

Dear Parent/Carer

Following the recent government guidance outlining the restrictions for international travel beyond our departure date, the PSV Eindhoven football tour will unfortunately not go ahead as planned.

We are currently working hard with Inspiresport to clarify our options moving forward. We are sure the government announcement along with this letter will raise many questions and concerns. We fully understand that your concerns are urgent and will require a detailed and informative response. Whilst we are working with the travel provider, we kindly ask that you please wait for our next official communication before airing your concerns.

We will endeavour to provide you with all of the information and details needed as swiftly as is possible. We will then write to you again as soon as we can.

Thank you in advance for your patience.

Kind regards

Mr. J Swingler
